Dear Parents,

To enhance the relationship between parents and students and promote home-school cooperation, the PTA will organize a Parent-Child trip on 10 May 2025. The itinerary for the trip has been designed by students studying Tourism and Hospitality Studies in Form 4 and Form 5 of our school. The students will also serve as tour guides, allowing them to apply what they have learned in the classroom. We sincerely invite parents to vote for their preferred travel route on that day. Each family can choose three different routes, and the route with the highest number of votes will be selected as the itinerary for the Parent-Child trip.
