Parents Circulars 2025-2026/028

Collection of Electronic Files for Student Photos

Dear Parents / Guardians,

Our school has conducted photo sessions for all students on July 9, 2025, and September 2, 2025. However, some students were unable to attend, or their photos needed to be retaken due to not meeting school uniform and grooming standards. Please arrange for your child to have their photo taken by another photography company, and submit the electronic file for the photo.

Note:

- The dimensions of the student photos should be 1.5 x 2 inches, with a blue background.
- Students must wear their formal school uniform (not PE attire) and comply with the school's grooming standards (refer to student handbook P. 10-11). The school emblem on the uniform must be clearly visible in the photo.

Photo Example:

Yours faithfully,

Chan Yuet Ping

Principal
