Matters regarding the arrangements for supporting students in using 'speech-to-text software' during examinations

Dear Parents/Guardians,

After being evaluated by an educational psychologist, it has been determined that your child is eligible for using "speech-to-text software." The Student Support Team of our school will arrange for your child to use the Macbook's built-in Chinese speech-to-text software (STT) during the Chinese History/History/Geography/Tourism and Hospitality examinations.

Should you have any enquiries, please contact Mr Lee Wai Sing or Ms Cheung Hoi Lun via 2461 1555.

Yours faithfully,

Chan Yuet Ping
Principal
