Parents must ensure that their child's Hong Kong SAR passport is valid until the return of the study tour.4. Students must attend all activities related to the study tour, including the pre-tour briefing session and the post-tour sharing session.5. The fee for this study tour is the amount that needs to be self-paid after receiving support from the Hong Kong Education Bureau Funding Scheme and the school. If a student wishes to withdraw before the departure, the withdrawing student must pay the additional fees incurred due to the withdrawal, and the Hong Kong Education Bureau may also revoke the funding for that student, who will then have to pay the relevant tour fees and additional withdrawal fees.6. Parents can, if necessary, purchase additional personal comprehensive travel insurance for their child to cater for unforeseen events, such as shortening the itinerary or loss of luggage and personal belongings. |
