Parents Circular 2024-2025/397
Beware of Fraud - Learning Materials Purchase Scam

Dear Parents/Guardians,

The school has been notified by the police that recently fraudsters have been impersonating school staff members to contact parents via phone calls, emails, or instant messaging apps, falsely claiming that students need to purchase learning materials or equipment with the intention of committing fraud.

To ensure your financial security, the school hereby reminds all parents:

1. When the school needs to collect any fees, we will notify parents through official written notices only. We will never request direct bank transfers via phone calls or messaging apps.
2. All teaching materials and supplies are centrally processed and arranged by the school.
3. If you receive any suspicious calls or messages:
 - Do not easily trust the caller's identity
 - Do not follow their instructions to transfer money
 - Contact the school office for verification if necessary

The school values the interests of our students and parents. We urge everyone to stay vigilant against fraud.

For any inquiries, please contact the school office at 2461 1555.

Yours faithfully,

Chan Yuet Ping

Principal
