**Parent Notification 2025-2026/186**  
**Recruitment for Participants in the 2026 Hong Kong Youth Study Tour to Ningbo**

Dear Parents,

Our school has received information from the World Chinese Ningbo General Chamber of Commerce regarding the "2025 Hong Kong Youth Study Tour to Ningbo," which will be held from April 2 to April 7, 2026. The purpose of this program is to sponsor youth from low-income families in Hong Kong to visit the mainland, allowing them to gain firsthand experience and knowledge of modern Chinese history, deepen their understanding of the country, broaden their horizons, and assist in planning their lives. This will encourage them to think about how the new generation of Hong Kong youth can contribute to the development of both the country and Hong Kong.

Our school has been allocated ten slots for this program. The cost for the six-day, five-night study tour (including airfare, meals, and accommodation) is HKD 200. The target participants are students in Form 4. Please read the attached itinerary and important notes carefully. Interested Form 4 students must complete their registration on the electronic platform by 5 PM on December 13. Due to the limited number of slots, the selection criteria will consider the following factors:

1. The motivation of the applicants.
2. Daily classroom performance.
3. Performance in extracurricular activities (e.g., during the Diverse Learning Week).
4. Improvement in various aspects.
5. The order of registration.
6. Students who have never flown or traveled far.

**Electronic registration link:** <https://forms.gle/4QJNp9d5ysPu4dC97>

If selected, students will receive a notification of acceptance and an official registration form. If fortunate enough to be accepted, students are encouraged to actively participate in the tour and submit related learning materials after the trip, followed by sharing their experiences with peers at school.

For inquiries, please call 2461 1555 to contact Mr. Cheung Chun Leung.

Yours faithfully,

Chan Yuet Ping  
Principal
