Parent Notice 2025-2026/ 254

"Youth Life Journey 2026" (March 14-15)

Dear Parents,

Our school will participate in the "Youth Life Journey 2026" event organized by the Lions Clubs International Multiple District 303 Hong Kong and Macau. This event is a two-day, one-night camping activity aimed at helping adolescents establish clear life goals, learn how to face various choices, and effectively plan for their futures. Through experiential games, participants will gain deeper insights into the operations of various industries, igniting their passion for contributing to society, especially among youth who are in a state of "laying flat." The activity will provide them with motivation and inspiration. Additionally, through interactive and problem-solving sessions, the program will help youths set personal goals and cultivate a positive attitude in facing adversities, thereby promoting comprehensive personal growth. Details are as follows:

- **Date:** March 14-15 (Saturday and Sunday)
- **Time:** March 14 (Saturday) at 8:45 AM

- **Activity Content:** The "Youth Life Journey" is a simulation game representing different life stages, divided into three parts:
 1. **Life Simulation:** A training that simulates a person's life journey with over fifty social microcosm game booths, allowing participants to experience education, job seeking, love, work, socializing, illness, accidents, and death, as well as participate in various social matters. Through interactive booth games, participating students can gain self-awareness.
 2. **Guided Discussions and Sharing by Mentors:** Stimulating students to reflect on their values and understand correct concepts, re-evaluating their behaviors.
 3. **Questionnaire Completion:** Participating students will re-establish proper life perspectives and learn how to face the future positively.
- **Adverse Weather Arrangements:** If a Typhoon Signal No. 8 or above is still in effect at 7:00 AM on the day, or if a black rainstorm warning is still effective, the event will be canceled without further notice. If the typhoon signal or warning is lifted or canceled before 7:00 AM, the camp will proceed as scheduled.

This event will facilitate interaction with students from other schools, an invaluable opportunity. We look forward to the support of parents. Due to limited slots, those accepted will be notified by another letter.
